

Field/Construction Engineer

We are seeking a driven, experienced individual with proven leadership skills to become part of the Missouri Petroleum Products Co., LLC. management team. Successful candidates must be able to demonstrate knowledge of engineering design, construction project management, estimating/bidding and marketing. A bachelor's degree in Civil Engineering and registration in the State of Missouri as a PE is preferred. Applicants not meeting this requirement shall have a closely related degree and an established understanding of engineering concepts, along with experience interacting with contractors, engineers and other governmental entities. Problem solving, accompanied by verbal and written communication skills are critical with this position. Interested individuals can submit their resume as an attachment with "Field/Construction Manager" in the subject line to Mike Hartman at mhartman@missouripetroleum.com. Candidates may also mail their resume to:

Missouri Petroleum Products Co., LLC.
Attn: Mike Hartman
1620 Woodson Rd
St Louis, MO 63114

Salary will be commensurate with experience and we offer a competitive benefits package.

We are an equal opportunity employer that operates in a drug-free environment.
